Haggin home fetches \$13.5 million

Boat racer John B. Haggin Jr., once married to Roxanne Pulitzer, sold his family's Palm Beach estate for \$13.5 million, property records show.

Companies controlled by Fred Latsko bought the 7,500-square-foot-home on Island Drive.

It's the town's priciest residential deal since a \$25.4 million transaction on North Ocean Boulevard last June, said Leslie Evans, a Palm Beach real estate attorney who publishes a quarterly report of the island's home sales.

"The residential market is starting to heat up," he said.
